November 5, 2007

SPIRIT Halloween Store Employees:

On behalf of the Recreational Therapy Department at The Children's Institute, we would like to thank your group for hosting the 2nd Annual Spirit of Children party for each of our children. The decor of the room was spooky; yet tailored to kids. It was especially appreciated that you were able to bring costumes which sparked an individual touch for each of their personalities. The activities were well liked, and the face painting was a big hit. As a department we were especially thankful for all the decorations that were donated after the event. We were able to decorate our office for the children throughout the facility to enjoy each and everyday through the month. Your employee's generosity has put many smiles on the children's faces, and we are truly appreciative of your kind hearts on this kid friendly holiday. We would also like to thank you for collecting generous donations within your stores. Thanks again for thinking of us and please keep us in mind for the future. I hope this special event was as enjoyable for you as our kids!

Sincerely,

Tara Marsh, CTRS
Program Coordinator
