Dear Ms. Golin:

It is a pleasure to thank you for your recent gift of \$5,692 raised through the Spirit of Children Program to support the MassGeneral Hospital *for* Children. We are grateful for your generosity to the hospital and our pediatric patients.

I know our Child Life Specialists share my appreciation for your support, which strengthens their ability to further innovative programs benefiting our youngest patients. Your philanthropy provides valuable resources to their work and helps advance the care we offer to patients at the MGH.

The entire MGH community joins me in thanking you and Spirit Halloween Superstores for your gift and for your role in advancing the mission of this institution.

Sincerely,

Leslie A. Kearney
