Dear Spirit Halloween Superstores Staff:

Thank you for selecting Shriners Hospitals for Children's St. Louis Hospital as the recipient of this year's proceeds from your Spirit of Children program. We always look forward to working with our local Spirit store during the Halloween season as they assist us in providing activities for our hospitalized children.

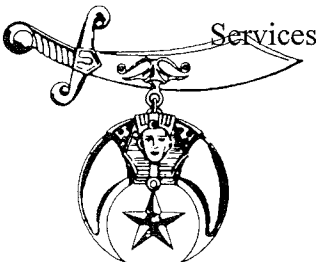

Your generous gift of \$3,722 will be used in part to purchase decorations in the Child Life Department for holidays, and to provide a flat screen television for the adolescent patients in our teen lounge.

We sincerely appreciate Spirit Halloween Superstores generosity and look forward to working with you in the future!

Sincerely,

Barb Sacco
Director, Child Life
